Why join the Rotary Club of Christchurch

Rotary Worldwide has a long-standing tradition of creating lasting networks between professionals in communities around the world. We lead local community-based projects, as well as taking part in global initiatives.

Based in central Christchurch, our Club is very proud to continue this tradition, and we actively seek interest from people who may wish to join our Club and continue this work into future generations.

The Rotary Club of Christchurch was chartered in 1922 and is the oldest Club in the South Island. Our members come from varied industries and with a wide mix of interests and causes we support. We make a difference in the community, and offer support and mentorship to each other.

Create lasting connections with peers. You'll be joining a network of experienced, supportive and friendly people from all industries and professions

Our members can actively help causes locally and globally they support by inviting speakers and generating awareness of worthy causes within our community

Listening to high caliber speakers

Gain governance experience by participating in Rotary activities

Become part of a global collective of Rotarians, we welcome visiting Rotarians to our meetings and our members are welcomed to other Clubs worldwide

Take part in global initiatives such as the Rotary Foundation, which aims to eradicate Polio worldwide

What is Rotary?

Rotary is a voluntary non-profit organisation of business and professional leaders who meet regularly to perform community service projects. The main objective of Rotary is service in the community and to promote goodwill and peace around the world. Rotarians have also developed support programmes for youth, education and international exchanges for students.

We're a positive focused organisation where lasting friendships are formed within the Club, in the spirit of openness and conviviality.
